## PARISH REGISTERS OF EL SAGRARIO, CAMAGUEY, CUBA

### MARRIAGES 1683-1750

(continued)

The Revista of CGS Volume 1:3, and 1:4 contained the first parts of this series. To recap what has preceded. Volume 1 of the marriages of the parish of El Sagrario in Camaguey apparently was missing when the original transcriptions were made. The CGS computerized list which follows is a copy of the hand-written notes taken in the 1940s and 1950s by friends and associates of Francisco Xavier de Santa Cruz. It begins with Volume 2, containing marriages for the years 1683-1697. It continues with Volume 3, containing marriages from 1711-1753. The years from 1750-1753 will form part of a separate listing, however, combined with volume 4. With this edition 2:1, the initial phase of this study up through 1750 is completed.

The information contained in the following list is self-explanatory for the most part. The surname and given name are found first, followed by the sex of the individual, the date, a column indicating whether the individual listed is the one being married (M), or is associated genealogically (G), a letter which follows the names of parents, or other spouses. The place, and the reference number finish out the line. The numbers at the very end refer to the page and entry number of the original transcriptions. These are helpful in looking at all individuals identified in a given entry and may also be used for further reference in correspondence with CGS or in using the manuscripts found at the Hialeah Family History Library.

There are some entries that were originally extracted out of order. To maintain the sequence of the extraction (for future reference) this order has been maintained. After the year 1739, there are two entries from 1732.

## SOCIETY NOTES

THE Cuban Genealogical Society has joined with the other Latin American genealogical organizations in the United States to form the HISPANIC AMERICAN GENEALOGY ASSOCIATION (HAGA).

The following guidelines have been created as the rules by which HAGA will operate.

A. HAGA serves the purposes of: 1) inter-organizational knowledge sharing (through a quarterly newsletter), 2) joint advertising, 3) the eventual development of a national seminar held every two years, 4) work groups for specific mutually-beneficial projects, 5) coordination of standards within these organizations for the enhancement of each group's professional image, and 6) any other mutually beneficial goals.

B. HAGA's governing body: 1) consists of a council whose members are all equal in authority, 2) chooses a chairperson from among their number for purposes of coordinating activities, 3) chooses this chairperson from each participating organization by that organization so that the best interests of each group are met,

C. HAGA is incorporated in California for the purpose of government reporting, and is established as a non-profit corporation.

D. Yearly dues for the publishing of the newsletter are \$8.00 per individual.

F. Funds that accrue to HAGA from donations, unspent dues, advertising fees, etc., will be used to promote and fund seminars, work groups and general information dispersal beyond the quarterly newsletter. Personal advertising of Hispanic publications, organizational newsletters and magazines, research services, and libraries will be allowed in the newsletter.

G. Formal organization of HAGA was 1 JAN 1989.

H. HAGA will become a member of such international genealogical organizations as will enhance the image of its respective associated organizations.

I. HAGA will maintain contact with all Latin American and Spanish geology organizations for the purpose of information sharing and cooperation.

J. The first HAGA seminar is set for the 500th anniversary of the discovery of America (1992), and will be held in Salt Lake City, to be hosted by the Instituto Geológico e Histórico Latinoamericano, and the Cuban Geological Society, in MAY of that year.

K. Seminars will be held in other key Hispanic centers around the country in 1994, 1996, 1998, 2000, etc.

CGS encourages its members to join HAGA and receive its newsletter in order to be better informed as to geological activities, publications, services, and progress.

Please direct your responses to HAGA, P.O. Box 2650, Salt Lake City, Utah.
